

How can you cut the meat bill?

RIDDLE cakes, fried hominy or even J a slice of bread covered with BRER RABBIT syrup make a most delicious breakfast.

The men who think they need meat for breakfast for nourishment will soon see their mistake.

In the same purchase of beef and BRER RABBIT syrup there is slightly more than eight times the heat and energy in BRER RABBIT.

The difference between "any brand" syrup and BRER RABBIT is told simply and clearly on the label-which reads:

"Pure Country Made Ribbon-Cane Syrup." Real Syrup it is-just as it comes from the country.
